Conference Centre Conference Theatre

Conference Theatre

Add impact to your event at our purpose built dynamic conference theatre. Keep everyone's focus with tiered seating in an accessible semi circle. Make the stage your own using large sets for a big wow or smaller sets for a solo speaker. The control room keeps everything running smoothly without the need for technicians in the auditorium. Some AV equipment is included in the theatre hire with a wider range on request. Our AV technician will offer advice on the best set up and equipment for your event.

Connectivity

We have WiFi broadband throughout the resort, so you can always stay connected to the outside world.

Flexibility

Small and intimate meetings to all singing all dancing conference and gala dinners for up to 400 are all possible with over 40 function, meeting and syndicate rooms to choose from – from the contemporary to the elegant – one of our rooms will be ideal for your event.

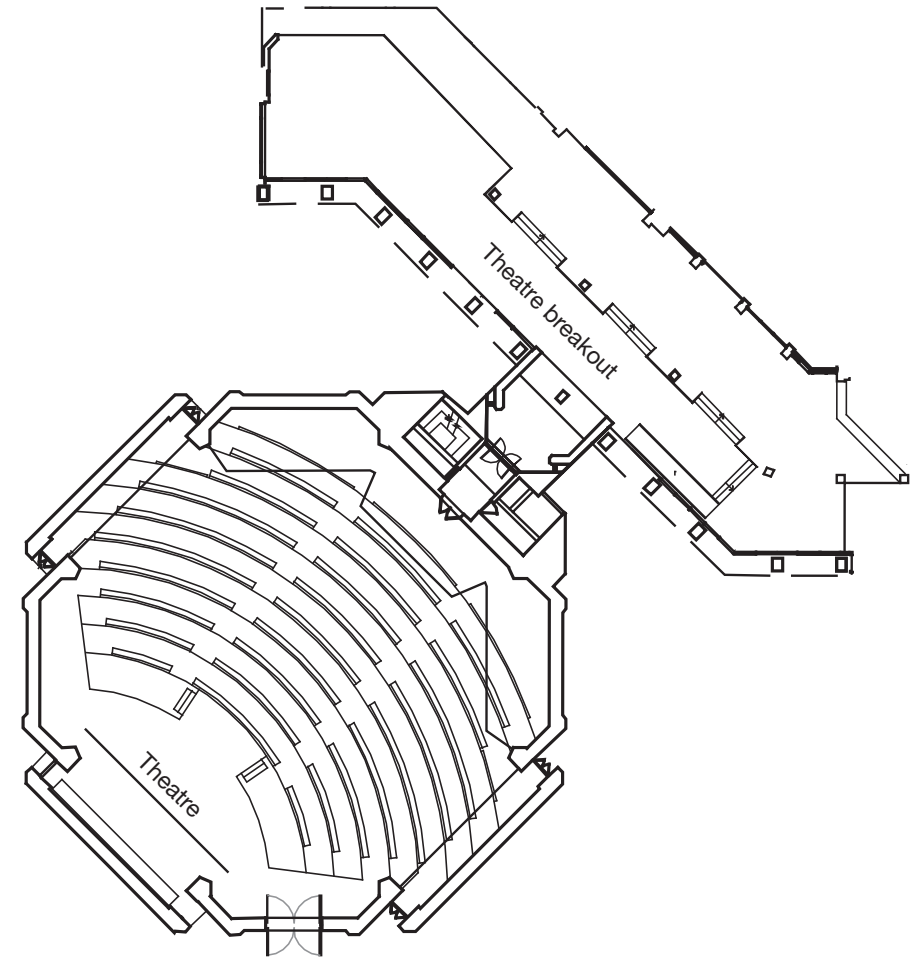

Outside events

Take your event outside – a BBQ on the south lawns, a reception on the formal terraces, team building activities from quad biking to duck herding or the ultimate marquee event in our stunning surroundings. With 440 acres of parkland, woodland and formal gardens plus a championship-standard 18 hole golf course, putting green, tennis court, bowling green, croquet lawn and fishing lakes, the possibilities are endless. All of our conference rooms have access to the courtyards or gardens for you to enjoy all year round.

Banqueting

From menu and wine selection, theme and decoration of the room, entertainment and after dinner speakers to the menu printing and your choice of table settings – no detail is too small. Our team of specialist event co-ordinators make your life as simple as possible as they guide you through every step of the booking – ensuring you have a memorable event at Heythrop Park Resort.
